TRAINING & PLACEMENT CELL

Placement is central focus for AIMS. It is necessary, however, to remember that placement is an outcome and not a windfall, therefore employability is an important criteria that will define placements. AIMS is committed to train students for placements, to groom students to face challenges of the corporate world. Our goal is to instill confidence in the students to be smart go-getters and ambitious. The top executives today want to see students engaged into solving real life problems. We wish to teach students how to work through problems and handle them with logic and reasoning.

Startup, Innovation & Entrepreneurship Cell

Start-up, Innovation & Entrepreneurship

Start-up is an entity that develops a business model based on either product innovation or service innovation and makes it scalable, replicable and self-reliant. Innovations have a strong linkage to the world of start-up. Solutions to unsolved problems form the basis for thinkers to innovate.

Entrepreneurship as the process of designing, launching and running a new business, which is often initially a small business, or as the "capacity and willingness to develop, organize and manage a business venture along with any of its risks to make a profit

On January 16, 2016 the Honorable Prime Minister Shri Narendra Modi launched the 'Start-up India' programme. The 'Start-up India' programme is intended to build a robust eco-system for nurturing innovation and start-ups which will in turn drive sustainable economic growth and generate large scale employment opportunities in India.

We at Allana Institute of Management Sciences established “Start-up, Innovation & Entrepreneurship Cell”, as per the guidelines of Center of Innovation, Incubation and Linkages, Savitribai Phule Pune University.
