Why
AIMS

1:20
Faculty Student Ratio

The S.P.P.U. curriculum encourages students to apply their knowledge to **real life scenarios** and prepare them for this competitive world

AIMS Alumni network which is going strong for 22 years, and will keep being a family for years to come.

Culture

Over the years, AIMS has developed its unique culture. For more than 2 decades, AIMS has been playing a seminal role in the growth of corporate sector and management education in India. Our students do not follow beaten roads, they strike new routes: they do not benchmark, but are benchmarked against. The enterprising spirit is exemplified throughout the rich history of this institution.

AIMS, over the years has produced very successful business leaders, management thinkers & wealth creators. By virtue of being housed in the center of Pune City, it attracts the best of the minds – be it faculty or students.

Curriculum

Once on campus, the students are subjected to a rigorous curriculum which is structured to address the needs of the industry and is aligned towards imparting contemporary knowledge to the students. An optimal mix of learning methods ensures a holistic personality development of the students. After the first year, each student goes to 8–10 weeks of summer internships which brings industry exposure. Students decide what field to pursue in the First year and choose how and what they want to learn to take them towards future industry leadership roles. All in all, the curriculum encourages students to apply theoretical learning to real–life scenarios and prepares them for what is expected out of an Allanite.

Faculty

AIMS boasts of the best in class faculties in terms of teaching experience, subject matter expertise, industry recognition and most importantly – student appreciation. Most of the faculty members undertake / have undertaken consulting assignments in the corporate area. They have authored some of the finest management books of international repute and have published research papers in some of the most distinguished journals in the Country and abroad.

Alumni

As the students walk out of AIMS, they embark upon a journey of leadership. However, it is their bond with the institute which they hold dearest. That is why AIMS students, who are legends in the industry, look back at their alma mater and attribute their success to the hallowed halls of the institution. The institution is proud of the vast, yet close knit alumni network which is going strong for 20 years, and will keep being a family for years to come.

VISION STATEMENT

To be one of the most adorable, admired and trustworthy management institutes in India.

MISSION

1. To provide interdisciplinary quality management and applied education so as to ensure lifelong learning of our students.

2. To prepare our students for suitable career opportunities thereby creating dependable and innovative managers and IT professionals committed to the Society and Nation.

3. To inculcate a spirit of entrepreneurship, problem solving skills and innovation among our students thereby helping them seek opportunities for continuous improvement.

4. To provide satisfactory and healthy work environment and job enrichment opportunities to staff

5. To foster scientific attitude among researchers of our institute.

6. To inculcate and enrich values of integrity, hard work and humanity among staff and students.

QUALITY POLICY

We continuously seek opportunities for improvement, to meet and exceed the need of our students through a process of self-evaluation and continuous improvement. At AIMS, we are committed to qualitative education to eligible persons, thus creating human assets and enhancing intellectual capital. Our management training provides self-dependability, innovativeness, sociability, sensitivity and adherence to excellence.

VALUES

Integrity, passion for truth and innovation, humanity, social equality and respect.

Dear Recruiters,

Our new batch of MBA, Student Managers and MCA, IT Technocrats: assiduously nurtured and mentored by our well qualified and highly competent faculty, are ready to join you in various functional areas and contribute to spur further growth of your industry and business.

Our Maharashtra Cosmopolitan Education Society, Pune is dedicated since 1948 towards the promotion of quality education at all levels. Beyond just complying with already rigorous requisites of Savitribai Phule Pune University and All India Council for Technical Education (AICTE), we relentlessly strive to build and sustain an environment for professional enablement through inclusive learning, duly factoring in demands of a very dynamic present business environment.

I am sure, our students have made best use of the facilities on the campus and have imbibed the values we stand for and would prove themselves an asset to your esteemed organization.

Dr. P. A. Inamdar
President
M.C.E. Society

Dear Recruiters,

What began as a foundation for professionalization of management, last century has assumed robust proportions and today management education of respectable standards has become a strategic categorical imperative for efficiency of business and industry.

We spare no efforts to relate our postgraduate management programmes to today's dynamic global business environment so that our students ingrain not only subject knowledge but beyond – inclusive competencies. Mentoring of students by experienced and proven senior management professionals, working in eminent business and industrial houses, gives impetus to our efforts.

In a nutshell, we endeavor to educate the students to become competent professionals – sensitive to the needs of others and prepared to assume leadership in their chosen arena. Our deployment of latest computer technology as an integral tool for learning further enhances their empowerment.

When you visit our campus, we fondly hope, you will appreciate the working environment that inculcates in our students, the competitive qualities required in the job market.

Mrs. Abeda P. Inamdar
Vice President
M.C.E. Society

Dear Recruiters

It gives me pleasure to present to you, our placement brochure for the academic year 2020 – 2021 for our students pursuing the postgraduate MBA & MCA programs. INDIA is on the fast track of exponential growth. Our industry has withstood the recessionary trends and all our vital economic parameters are showing positive trends.

I am sure that the Indian growth will need several young and dynamic managers and leaders who will add to this exponential growth. It is against this background that we have successfully differentiated ourselves with several value additions in our curriculum and course delivery so that our students are fully equipped to meet the demands of the industry and develop skills and attitudes that enhance their employability.

At AIMS, we follow a rigorous 5D teaching methodology. Our students are also continuously put through attitude and behavioral modifications programs to imbibe in them a positive and winning attitude which will help them to blend in the corporate culture seamlessly and prove to be assets to their employers.

With this, I welcome you to visit our campus and recruit our students, I assure you that our students will not only stand up to your expectations but surprise you by surpassing them.

Respected Sir / Madam,

Greetings from Allana Institute of Management Sciences, Pune.

We would like to take this opportunity to invite you to participate in our Final Placements as well as for the Summer Internship Program for the year 2020 – 2021. AIMS, since its inception in 1998, has been consistently ranked among the top B–Schools of India.

We are proud to present the best minds to the outer world that awaits to test and absorb the talent radiating from every individual. We assure you that your expectations will just not be met, but will be surpassed substantially.

At AIMS, you will experience the cultural diversity, as we have students from India and Abroad. The curriculum is robust & dynamically aligned with industry expectations. Students not just imbibe academic concepts but also develop the requisite disruptive and decision making skills to be the leader in the ever changing competitive world of business.

The institute conducts the following courses approved by AICTE and permanently affiliated to Savitribai Phule Pune University.
- Master of Business Administration (MBA)
- Master of Computer Application (MCA)
- Doctor of Philosophy (Ph.D.)

We will be following a roll–on process for both final and summer placements. We look forward to forging stronger bonds of cooperation to traverse unchartered territories of excellence and to host you on our campus this year.

"The surest way not to fail is to be determined to success" – Richard Brinsley Sheridan

This adage would be an apt synopsis to the character of the MBA 2020 – 2021 batch of AIMS. The fire to succeed burns in one and all as they set to conquer the bastions of the corporate fortress.

One glaring characteristics of the batch is its diversity with young minds from different walks of life. The result is an even wider variety of ideas and viewpoints flowing into every discussion. Such an eclectic blend of minds to be molded to suit the corporate world requires the hands of experienced faculty from the field of academia and industry. Fortunately, AIMS has the right match.

Our endeavor is to create an environment where everyone can learn from their differences, make individual as well as the groups maximum potential and contribute to our vision of a business school of diverse dimensions.

In order to meet the growing demand for efficient and job ready management trainee, numerous institutions have started awarding management degrees in our country. The changed scenario and competition, however, has not altered the status of AIMS. It continues to depict a commendable and reliable image, which reflects in our graduates who nurture and build companies.

FINAL PLACEMENT ASSISTANCE

January to March

Pre-Placement Talks

The Pre-Placement Talk (PPT) helps students and companies interact with each other. The companies representatives share the profile of their company, key aspects of business, work environment and opportunities available to the students. The presentation is followed by a Q&A session, where students interact with company officials to get a better understanding of the company and potential roles. A typical PPT session is scheduled for 90 minutes.

Applications and Shortlists

In response to job descriptions floated by companies, interested students apply through the Placement office. A detailed resume is submitted by the students as part of the application process. On the basis of student applications, companies are required to send shortlists to the Placement office prior to their final placement interviews.

Placement Interviews

The final placement process will begin from .... to .... Companies can interview the students they have shortlisted. On the date agreed upon by the Placement office and the company. The final placement interview gives the company and the student an opportunity to discuss the role in detail and make the right choice. The companies are allowed to meet students prior to their allotted final interview date and carry out preliminary assessments.

Offers and Acceptance

The company can make an offer to the student after the final interview. For an offer to be valid, it should include details of role, location, remuneration, terms and conditions and other relevant information required by the candidate to make a decision. The offer is communicated by the company to the Placement Cell, which in turn communicates it to the selected student. The acceptance of an offer is governed by rules of AIMS Placement Cell .

PLACEMENT
PROCEDURE

- Placement cell sends the invitations to the corporates inviting them for the campus/ off Campus activities.

- Corporate clients interested in participating in the placement activity will revert with job details along with a date for the pre placement talk.
